For me, the most interesting question was:

- How would you define his character?
- Description of relationships between characters
- Different point of views on the relationship between Van Winkels
- What was the effect of the wife

One thing I learned from this discussion:

- That the author never visited the place where the story takes place.
- Nothing specific, everyone expressed their point of view.
- The symbolism of mysterious men
- The story goes deep

What could be improved in the discussion:

- Everything was good
- Nothing comes on my mind
- Formulating questions more clearly
