Leader: Magdalena Kalenská

The group leader...

- ...was well-prepared for the discussion: 5.0
- ...opened the session with a clear introduction of the topic: 5.0
- ...got everyone to participate: 5.0

For me, the most interesting question was:

- Who was the "bad person" in the story.
- What the main character sleeping for 20 years could symbolise
- Who was worse? Dame or Rip.

One thing I learned from this discussion:

- The fact that Rip probably had problem with alcoholism.
- We were talking about the death of Rip's wife and it made me think about the relationship between the characters more.
- The significance of the author as a historian
- It was kinda about alcoholism

What could be improved in the discussion:

- Nothing, Magda was a great leader.
- I think the discussion was great.
- Maybe one more question but it was very nice otherwise
- Everything was okey:)
